

Fentek Fence

Built to Last, Designed to Impress

We are a family-owned business in Taiwan. At Fentek Fence, we are dedicated to crafting high-quality metal fence and gates for customers worldwide. Our mission is to provide durable, reliable, and stylish fencing solutions that protect and enhance residential and commercial properties.

WHY CHOOSE FENTECK FENCE?

- 1 Prefab panels and posts**
Fentek fences are modular for fast, hassle-free installation, reducing on-site labors and accelerating project completion.
- 2 Long-lasting & Low-maintenance**
We use pre-galvanized steel and powder coated surface to ensure longevity and durability.
- 3 Quality Control**
We have a skilled and reliable team that follows documented workflows to ensure consistent quality.
- 4 Reliable Supply Chain & Logistics**
Local inventory and nationwide fulfillment capabilities, your projects won't be delayed by shortage.
